

## EDUCATION

- 2004: Ph.D. [Analytical (electrochemistry/Medicinal Chemistry), Ohio University, Athens, OH 45701.  
Thesis title: "*Interdependence of Endothelium Dysfunction and the Lifespan of the Cardiovascular System*" supervised by Prof. Tadeusz Malinski
- 1996: M.Sc. (Physical Organic Chemistry), Alexandria University, Alexandria, Egypt.
- 1985: B.Sc. (Chemistry), Alexandria University, Alexandria, Egypt

## HONORS and AWARDS

- 2015: Marvin and Warren Boudreaux / BoRSF Professorship in Chemistry
- November 2014: CUR Workshop for Undergraduate Research Council
- 2014: Outstanding Undergraduate Research Mentoring
- 2013-present: Graduate faculty Member
- 2012-2015: Marvin and Warren Boudreaux / BoRSF Professorship in Chemistry
- 2012: Summer Research Award Summer 2012.
- 2009: Voted Alpha Lambda Delta Outstanding Freshman Professor for the year.
- 2007-Present: A member in the American Chemical Society.
- 2003: John Houk Memorial Graduate Research Grant Award from Ohio University,  
Grant Title: "*Longevity a Dream That May Come True*"
- 2002: The Dean's Outstanding Chemistry Teaching Associate Award Ohio University, College of Arts and Sciences.
- 1993: Certificated Trainee by Marine Environment Laboratories (Monaco) International Atomic Energy Agency in "Monitoring the environmental pollution caused by chlorinated hydrocarbons and petroleum hydrocarbons".
