

ACTIVITIES and SERVICES

- Supervises undergraduate research (all students in my group either persuade their studies in graduate school, medical, pharmacy or chemical engineering school).
- **Advisor for pre-pharmacy students since 2007- present**
- Active Member in Department and University Committees and Community Service

University Committees

- Task Force Committee for Lab Renovation Priorities in Chemistry (Chair, 2017-present)
- Library Committee (3 years) Chair 2018
- A member in New Faculty Orientation Panel (August 2017)
- Outstanding Graduate committee (Fall 16 - Fall 2017)
- Strategic Program Review Committee (2017 - present)
- Commencement committee (Spring 2017, Fall 2017)
- UL Lafayette Strategic Program Review Committee Plan (2016- - present)
- Graduate Faculty College Peer Review Committee (2016 - present)
- President's Council on Sustainability Committee (2016- present)
- Review for the College of Sciences Gen Ed Assessment Matrix Committee, Department of Chemistry Coordinator (2016- present)
- Educational Grant Selection Committee (2016 -- present)
- Dean's Committee for Bradd Clark Undergraduate Research Award (Spring 2015 - Fall 2017)
- Provost Search committee to Select the Dean of University College (formerly the College of General Studies) 2015-2016
- Provost Department Head Task Force for Setting Rules for Head Department Evaluation. 2015-2016
- Honors Convocation Committee (3 years) 2015- present
- College Screening Committee for the Selection of the 2016 Summer Research Awards
- Provost- Lafayette Parish Sherriff's Department Collaboration. 2015
- UL-Lafayette Mental Health Initiative (2015- present)
- Provost CUR Workshop Task to Construct the Undergraduate Research Council. 2014

Department Committees

- Rubric Committee (Chair) 2018 - present
- Hitchcock Committee (Chair) 2017- present
- Scheduling Committee (Member) 2017 – present
- Physical Chemistry position search committee (Member) 2017
- Instructor position search committee (Member) 2018
- Test Booklet Introduction Committee (Member) 2015-2017
- Master's Program (Member) 2017
- Search Committee for upcoming openings (Member) 2017
- Annual Self-Evaluation of faculty (Member) 2015, (Chair) 2016
- Faculty Search Committee Analytical chemistry (Member) 2015
- Instructor's Promotion Committee (Chair) 2015

- Curriculum Committee (Member) 2013-2016
- Safety Committee (Member) 2012-2015
- Hitchcock Committee (Member) 2015- present
- Evaluation of Students' Academic Performance as a Measure of Learning (Member) 2015
- Faculty Tenure & Promotion Policy committee (Chair) 2015
- Instructors' Promotion Policy committee (Chair) 2016
- Rubric Preparation Committee (Member) 2012-2015
- Hiring Committees (Chair or Member) (2007-2016)
- Renovation Committee (Member) 2007-2009
- A member in choosing new books for general, analytical and nursing chemistry.
- **Serves as a judge in the Science Olympiad.**
- **Serves in the Science Day.**
- **Served as a judge for the Louisiana Region IV Science and Engineering Fair.**
- **Served as a judge for the evaluation of the Louisiana Instructional Mini Grand (Collage of Sciences and Arts).**

Reviewer for the following Journals

- A member in the Editorial Board *International Journal of Chromatography & Separation Techniques*
- A member in the Editorial Board *Journal of Medicinal Chemistry and Drug Design (JMCDD)*
- *Environments*
- *Advances in Chemistry*
